OP Skate Park Volunteers Needed!

**The Friends of the OP SK8
Park** is the non-profit

fundraising organization for the skate park. The Town has been awarded a \$400,000 Grant. We are now forming committees to assist the Town in the planning and rebuilding of our new park and property. The Project must be completed by April 30, 2010 so things are moving fast!

We have openings on the following committees:

*Parent Communication

*Building

*Skateboard Obstacles

*Landscape

Please contact Lois Shaw, (Butterz' mom) to help. Feel free to just show up at the park and let her or Anjie know you are willing to lend a hand.
